All About The Turtle

Turtles are reptiles with hard shells that protect them from predators. They are among the oldest and most primitive groups of reptiles, having evolved millions of years ago. Turtles live all over...

Turtle Facts | Live Science

Turtle, (order Testudines), any reptile with a body encased in a bony shell, including tortoises. Although numerous animals, from invertebrates to mammals, have evolved shells, none has an architecture like that of turtles. The turtle shell has a top (carapace) and a bottom (plastron).

turtle | Species, Classification, & Facts | Britannica

Turtles are reptiles of the order Testudines characterized by a special bony or cartilaginous shell developed

from their ribs and acting as a shield. "Turtle" may refer to the order as a whole (American English) or to fresh-water and sea-dwelling testudines (British English). The order Testudines includes both extant (living) and extinct species.

Turtle - Wikipedia

Turtles can range in size from the 4 inch Bog turtle to the 1,500 pound Leathery Turtles. Kemp's Ridley is the smallest and rarest of all sea turtles and is an endangered species as is the leatherback turtle. The Hawksbill turtle has nearly been hunted into extinction because of it's unique and beautiful shell.

Hawksbill turtle, facts and photos

A Turtle of massive size with an ancient appearance, Maturin existed long before the creation of the mainstream universe in Stephen King 's novels. By nature, Maturin was kind, wise, loving, gentle,

compassionate, benevolent, and had a very grandfather-like demeanor when he spoke to humans.

Maturin the Turtle - Stephen King Wiki | Fandom

The Turtles are an American rock band led by vocalists Howard Kaylan and Mark Volman, later known as Flo & Eddie. The band had several Top 40 hits beginning in 1965 with their cover version of Bob Dylan's "It Ain't Me Babe". They scored their biggest and best-known hit in 1967 with the song "Happy Together". The band broke up in 1970. Kaylan and Volman later found long-lasting success as session musicians, billed as the comedic vocal duo "Flo & Eddie". In 2010, a reconstituted version of the ban
