The artworks in this book are so beautiful. I know the place featured in Moana is fictitious but it still feels like a place I really want to visit. Looking at the art transports my mind to another world. The paintings of the mountains, seas, environment and light are wonderful. Note that there are spoilers in this book. So it's probably better to only go through the book

Just like the Art of Zootopia, the Art of Moana shows how much research the creators did to give the audience an authentic Polynesian theme. It offers a small look into the cultures of Polynesia as well as creating characters and environment based on their researches and trips. And it shows that Moana was created in such a respectful way.
