For the old left, the struggle for the welfare state was seen as a class battle of the have-nots against the haves. In Beyond Left and Right, Giddens recognizes that the welfare state is not a redistribution of wealth from rich to poor, but rather a system of government-provided insurance policies that allow people to manage the risk in their lives, especially illness and unemployment.

### **Beyond Left and Right: The Future of Radical Politics ...**

A Review of Amy Black's 'Beyond Left and Right: Helping Christians Make Sense of American Politics'. There are two kinds of political issues, Party issues and Revolutionary issues. In a party issue, all parties are agreed as to the nature and justice of the social goal to be reached, but differ in their policies for reaching it [ . . . ] On a party issue it is essential that passions be kept at a low temperature [ . . . ]

### **Beyond Left and Right Proves Timely, Refreshing ...**

"Beyond Left and Right is a wise account of the sterile quality of much of today's politics, and a powerful call for fresh thinking about the crucial balance between the individual and the community, between freedom and order, and between rights and responsibilities. It's an important book by a gifted, creative thinker."

### **Beyond Left and Right: Breaking the Political Stalemate ...**

Transcending partisanship is going to require what seems beyond the capacities of either side: thinking about the left-right spectrum rather than from it. The terminology arose in revolutionary ...

### **The Left-Right Political Spectrum Is Bogus - The Atlantic**

For journalists, getting beyond left and right means not allowing the agenda to be set by interest groups that are clearly stumping for votes and air time on cable television at the expense of reality.
