Blackbird (Blackbird, #1) by Anna Carey

"Blackbird" by Anna Carey was an enjoyable and quick read. I loved her "Eve"-trilogy, and was very excited to read this book. Even though it was enjoyable, it did not leave me as impressed as I was with "Eve". The story was good, but it developed slowly and when I don't get any real answers until I'm almost done with the book it leaves me bored.
