Programs that specify thirteen courses require fourteen electives; twelve-course majors require fifteen electives, and so on. Additionally, the amount of credit by examination (e.g., AP, IB, placement credit, etc.) may also impact the number of electives required. For students matriculating in Autumn 2017 or later, of the 4200 units required to graduate, at least 3800 units must be completed via course enrollment, i.e., not credit by examination.

### The Curriculum < University of Chicago Catalog

In education, a curriculum (/ k ə ˈ r ɪ k j ə m /; plural curricula / k ə ˈ r ɪ k j ə l ə / or curriculums) is broadly defined as the totality of student experiences that occur in the educational process. The term often refers specifically to a planned sequence of instruction, or to a view of the student's experiences in terms of the educator's or school's instructional goals.
