Amazon.com: Culloden: The History and Archaeology of the ...

Culloden is a very good piece of historical and archaeological research. Written as individual essays by specialists covering various aspects of this battle. That being said, I must point out that this would be considered "dry" by quite a few people.

Culloden: The History and Archaeology of the Last Clan ...

The Archaeology of Culloden. On 16 April 1746, the Duke of Cumberland's government troops and Jacobite armies met at Blàr Chùil Lodair (The Battle of Culloden), following the Jacobite rising of 1745. The Jacobites were decisively defeated near Inverness in the Scottish Highlands. The story of the battle has been retold in numerous works of poetry, fiction, theatre and on screen, and continues to be an emotive and much talked about event today.

took place over 260 years ago. In many ways this is a good thing.

Culloden. The History and Archaeology of the Last Clan ...

The archaeology of Culloden, a contribution to understanding. Culloden was the last battle to be fought on British soil, but it was also the first battlefield in Scotland to be subject to archaeological investigation. In 2002 and 2006, geophysical survey, excavation and metal detector survey was deployed across the battlefield, parts of which have, since the 1937, been given into the care of the National Trust for Scotland (NTS).
