Dogs to print and color! - Free Coloring Pages

The first step in answering that question is to know what colors dogs see. Dogs do see colors, but the colors they see aren't as vivid or as many as we see. Most experts agree that while they can't see reds and greens, dogs do see most other colors — including blacks, whites, grays, yellows and blues. That means a toy that looks red or green to you doesn't look the same to your dog.
