Ethics Theory Business Practice Sage

The “theory in practice” and “pause for reflection” sections are very well designed, and extremely helpful in highlighting the practical implications of theory. From my initial reading of the book, I think it could be a very useful resource for both undergraduate and postgraduate students - as part of a business ethics and/or management ...

The paper discusses the role that ethics theory might play in business ethics teaching. It is noted that little attention is devoted to the explanation and application of ethics theory in business ethics textbooks, which suggests that ethics theory is held in low esteem by business ethics educators. This relative disregard has been justified by some critics on the basis of the limited ...
