What are your opinions of Scotland? : AskReddit

In the United Kingdom and other common law countries, a legal opinion also refers to written legal advice on a point of law issued by either a barrister or advocate (often referred to as "counsel's opinion") or occasionally a senior government law officer, such as an attorney general.

Legal opinion - Wikipedia

Today the Supreme Court of the United Kingdom usually has a minimum of two Scottish justices to ensure that some Scottish experience is brought to bear on Scottish appeals. [31] Scots law has continued to change and develop in the 20th century, with the most significant change coming under devolution and the reformation of the Scottish Parliament .

Scots law - Wikipedia

Scottish inheritance law has a reputation for being devilishly complicated in cases where someone has died 'intestate' (that is, without a will). But the truth is that, while a little trickier than the guidelines in the rest of the UK , the rules of intestacy in Scotland can be fairly straightforward to put into practice.

Scottish Inheritance Law | Intestacy in Scotland | Beyond

The referendum on Scottish independence held on 18 September 2014 saw Scotland vote to remain part of the United Kingdom (UK), with 55% voting against the proposal for Scotland to become an independent country and 45% voting in favour. Uncertainty over Scotland's European Union (EU) membership was a topic in the run-up to the referendum vote.

Proposed second Scottish independence referendum - Wikipedia

The law of Scotland is not a pure Common Law system, but a mixed system. Historically, partly the Scottish law stood originally even more in the tradition and under the influence of the Roman-judicial stamped continental law, and only since the 19th century the influence of the law "South of the Border" has strongly asserted itself.
