Screw - Wikipedia

The Turn of the Screw is a novella (short novel) written by Henry James. Originally published in 1898, it is ostensibly a ghost story. Due to its ambiguous content, it became a favorite text of academics who subscribe to New Criticism. The novella has had differing interpretations, often mutually exclusive.

the Screw is a poor adaptation of the story, the atmosphere was empty and dull, also the ambiguity that made the story so unnerving is dumbed down. The dialogue is also very stilted, and doesn't flow very well from one scene to the next, while the story starts off well but becomes a series of disconnected scenes.
